Sadie may seem like any other little girl, but like any other little girl, Sadie is absolutely individual, and along with her little puppy, Winnie, by her side - her curiosity quite rightly gets the better of her as she explores and experiences the world around her. In her own individual style she will take you on a journey through 35 of her very own stories. Like every little girl should, Sadie doesn't quite understand the strange idea of becoming 'a grown-up', she has much better things to enjoy - just as you will too when you join Sadie and her never-ending curiosity.
