Présentation de l'éditeur

Stanchi del ritmo frenetico della New York anni Settanta, il graphic designer Tomi Ungerer e sua moglie Yvonne si mettono in viaggio alla ricerca di nuova e più tranquilla vita su una penisola solitaria, in Nuova Scozia, Canada. Nel diario scritto per dodici mesi Ungerer racconta le difficoltà e le conquiste della coppia tra gli alti e bassi della vita in quelle terre selvagge. Le spiritose descrizioni di Ungerer sono accompagnate da oltre 150 disegni di paesaggi, personaggi familiari, flora e fauna locali, che evocano con vivacità l'esperienza della vita rurale.
