- Waterproof - Tear-Resistant - Travel Map National Geographic's Canada East AdventureMap is designed to meet the needs of adventure travelers with its durability and detailed, accurate information. The map includes the locations of cities and towns with a user-friendly index, a clearly marked road network complete with distances and designations for roads/highways, plus secondary routes for those seeking to explore the stark wilderness of Newfoundland, the fertile farms of Prince Edward Island, or Nova Scotia's hidden coves and beaches. AdventureMaps differ from a traditional road map because of the specialty content they include. Each map contains hundreds of diverse and unique recreational, ecological, cultural, and historic destinations -- outside of the major tourist hubs. Whether you seek the quaint harbor gem of Halifax, the majestic city life of Toronto, or the old world charm of Montreal and Quebec City, National Geographic AdventureMaps are the perfect companion to a guidebook, yet far easier to pack! On the front side you'll find routes leading to the stunning Niagara Falls, Canada's largest city of Toronto, Algonquin Provincial Park (Canada's largest national park), and the northern regions of Ontario and the Labrador Peninsula. The far eastern provinces on the backside are playgrounds for active exploring and scenic beauty, including Quebec, New Brunswick, Prince Edward Island, Nova Scotia, Newfoundland, and the mighty St. Lawrence River. The Canada East AdventureMap is printed in the United States on a durable synthetic paper, making it waterproof, tear-resistant, and capable of withstanding the rigors of international travel. The map is two-sided and is folded to a packable size of (4.25" x 9.25"); unfolded size is (26" x 38"). Travel Tip! Due to the synthetic sheet that AdventureMaps are printed on, you can easily fold the map to a discreet size, showing just the area you're interested in. Key Features: - Waterproof and tear-resistant- Designed and pr
